Follow-up tool

How does it work?

- The teacher / job coach makes an appointment with the participant to discuss his or her job opportunities.
- The document is a tool to guide the process. The job coach / teacher asks questions when filling in the document:
 - o **Picture**
 - o **Who am I?:** Name, age, roots, religion, spoken languages, personal characteristics, previous work experiences, etc.
 - o **My family:** What is your family situation? Do you have to take care of children or parents? Do you have a partner? Do you have a supportive environment? Would work have an impact on your family situation?
 - o **My interests:** What do you like? What makes you happy? Professionally? Personally? Links between the two?
 - o **My dream job:** What is your dream job?
 - o **What am I good at?:** What things are you good at? Do you get energy from these things? Can you link these things to your job experiences and/or dream job?
 - o **What do I like?:** What are some things you like? Can you link these things to your job experiences and/or dream job?
 - o **My day:** What does your day look like? What would be your ideal work schedule? Consider this work schedule in relation to your dream job.
 - o **Important people around me:** Friends? Neighbours? Volunteer work? Would work have an impact on your social network?
